

## ABOUT ACTIVITY

CodeBreaker! is a note naming activity that is perfect for the music classroom or beginning instrumental/choral student. The challenge of this activity is to correctly name each note and then write its alphabet letter name on the blank below. The code is broken when the alphabet letters reveal the secret word.

## ABOUT ACTIVITY

CodeMaker! is a note naming activity that is perfect for the music classroom or beginning instrumental/choral student. The challenge of this activity is to come up with as many words as you can using only the letters of the musical alphabet. (It's okay to repeat letters.) After you have written the words in the blanks below the staff, turn them into code by writing the words in music notes on the staff above the word.
